Memorandum No. 36837 D/49-2, dated 20th May 1949.

OURTS - Criminal - Bellary district - Sandur - Extension f Criminal Procedure Code - Indian Penal Code and Indian vidence Act - Notifications under sections 7 and 8 Criminal rocedure Code.

ef:- 1. Correspondence ending with the letter from the District Magistrate, Bellary, No. 2334/49 C.C. dated 20th April 1949.
2. G.O.Ms. No. 1161, Public (Political) dated 29th April 1949.

The District Magistrate, Bellary is informed that as Sandur State has merged in the Indian Union with effect from 1/4/1949, and as the Government of India have delegated power to this Governme to administer the State, this Government have under consideration the question of recognising the Criminal Courts in the State and of extending the laws in force in this Province to the State. In the case of Banganapalle, the Criminal Procedure Code, the Indian Penal Code, and the Indian Evidence Act were extended to the State in advance of other laws, and notifications were issued under Sections 7 and 8 Criminal Procedure Code including the State within the jurisdiction of the existing courts. A copy of G.O.No. 1180, Home, dated 24th March 1949 is enclosed for reference.

It has been suggested that similar action may be taken in regard to the Sandur State. The District Magistrate is requested

(1) to state whether the Criminal Procedure Code, the Indian Penal Code and the Indian Evidence Act may be extended to the Sandur State at once and if so to forward necessary draft notifications under sections 7 and 8, Criminal Procedure Code for the approval by Government, and

(2) to state whether any additional posts of Magistrate will have to be sanctioned to try cases arising in Sandur and, if so, to submit necessary proposals through the High Court.

Sandur - Appointment of a separate
second class Magistrate - Proposals-submitted.

Ref: Government Memorandum No.36837.D./49.2
Home Dept., dated 20.5.49

Among the proposals for reorganisation of the Sandur state after merger, I am submitting a separate report to Government, to the effect that Sandur state area should be formed into a separate Taluk, by adding one firka from Kudligi Taluk and another from Hospet Taluk. The proposed new Taluk(Sandur Taluk) will comprise of the following villages.

(Hospet Taluk)..	Toranagal firka..	33 villages
(Kudligi Taluk).	Choranur firka ..	21 "
	Sandur firka ..	23 "
		---
		77 Villages

This is proposed because, as it is, Hospet and Kudligi Taluks have become very heavy, especially in view of the numerous irrigation sources and encroachments existing therein. Besides may of the villages in Kudligi Taluk are too far away from the head quarters and transport convenience is very meagre so that it has become very difficult for the transaction of day to day business.

3 In case my proposal to form a separate taluk is approved, it will be necessary to have a II class Magistrate to deal with the crime in the 77 villages reported above and to maintain law and order.

4 In this connection, I may add that Sandur state was hitherto having (1) a District Magistrate's court, (2) a First Class Magistrate's court and (3) The High Court(Nyayadish) called the Chief Court. It will be inadvisable to deprive the people of the facilities for seeking redressal against criminals, which they were enjoying for so many years in the past. Further just after the merger, if no separate magistrate is appointed, the regular staff will find it almost impossible to cope with both the branches viz. Criminal judicial and revenue.

5 If the Government should however decide to form the state area into a sub Taluk, I consider that a Deputy Tahsildar, Magistrate will be necessary.

The following permanent staff for the II class Magistrate's Court is necessary.

1. Head clerk(Lower division clerk)
1. second clerk (ditto)
1 Attender
and 2 peons.

I request that early orders may kindly be issued in the matter.

MAGISTRACY:

The District Magistrate and the 1st Class Magistrate were the two magistrates in Sandur and ~~xxxxx~~ after the administration was taken over, the District Magistrate was ordered to refrain from exercising any magisterial powers and the 1st class Magistrate also dropped out. From 17-1-1949, the Special Officer was appointed as the 2nd Class Magistrate and the Joint Magistrate Hosept was appointed as the First Class Magistrate over the state. After the state administration is reorganised, I consider that a separate stationary Sub-Magistrate for Sandur will probably be necessary. Proposals in this regard are under examination and will be submitted separately.

From the D.M., Bellary R.C.S.No.209/49.C.C. d/8-6-1949
From the High Court, Madras, R.O.C. No.6305/48-B1,d/21-6-49

The D.M. Bellary has stated that he has submitted proposals to constitute a separate taluk, including Sandur and that if the proposal is accepted a separate second class magistrate (Deputy Tahsildar ~~-S.S.M~~ in the grade of S.S.M) will be necessary to try the cases in the area and to maintain law and order; but that if it is decided to form ~~the area~~ Sandur into a sub taluk, a Deputy Tahsildar ~~Magistrate~~ exercising powers as a Magistrate also will be necessary. The usual staff of ~~one~~ two lower division clerks, one attender and two peons has been recommended. The High Court supports the former proposal. Even if the D.M's proposal to constitute a separate Revenue taluk is not accepted, it will be open to the D.M. to confer magisterial jurisdiction on the Deputy Tahsildar over the area proposed in the new Taluks. One post of ~~Deputy~~ S.S.M. ~~Tahsildar~~ together with the staff proposed may perhaps be sanctioned for a period of one year instead of permanently as suggested by the D.M. As it has been stated that it will be inadvisable to abolish all the present etc.

to the Collector, Bellary Ref. C.No. 6103/49-S1. Dt/ 9-10-49.
to the Registrar, High Court Madras R.O.C. No 4206/118-B. Dt/ 9-11-49.

This file started with the following proposals of the D.M, Bellary, namely.

(1) to Constitute a Separate taluk including Sandur and to appoint a Separate Second class magistrate to try Cases in the area, and

(2) if it is decided to form the Sandur State area into a Sub-taluk, to appoint a Dy. tahsildar magistrate.

A staff of two lower division clerks, one attender and two peons was also recommend by the D.M. Bellary.

2. The High Court supported the first proposal. The Revenue dept suggested that the existing arrangement for administration of Criminal Justice might Continue, if necessary the Spl. Officer or the Dy. tahsildar employed in Sandur being invested with ~~the~~ magisterial powers and that the question of the Creation of a ~~the~~ post of S.S.M might be deferred till such time as the Constitution of Sandur was settled. Public and Finance depts agreed with the Revenue Depts View.

The D.M, Bellary was accordingly —

informed that the territorial affilcation of Sandur was under Consideration, and that the Special Officer or the Dy. tahsildar having jurisdiction over Sandur might try Criminal cases also. The D.M, was also requested to state whether the proposal to create a second clan magistrate for Sandur might be referred.

3. The D.M, Bellary has reported that up to 15-8-1949, 12 Second clan Cases and 137 third clan Cases were tried as against 3 Second clan Cases in the year 1948, and that the Sub-divisional magistrate Bellary States that the Special Officer, Sandur who is now empowered to exercise second class powers over Sandur may try second class Cases in addition to his regular work; in view of the Complicated problems of the state it will not be possible for the Spl. Officer to try third clan Cases which are many in number.

In order to facilitate both the magisterial and regular work, it is now suggested that a Sheristadar magistrate may be appointed to dispose of the large number of third clan Cases. The D.M, Bellary recommends that Sanction may be accorded for the conversion of one W.D. clerks post into that of a Sheristadar magistrate for a period of six months to start with, by which time the reorganisation of the State is expected to be finalised. It is stated that no Special establishment under the Sheristadar magistrate is necessary.

The D.M, has also stated that if

his present proposal is sanctioned, the previo
for the appointment of a Second Class Magist

Sir,

Sub;- Establishment - temporary - Sandur Taluk - Sheristadar Magistrate's post continuance - Sanction Requested -

Ref;- G.O.Ms. No.352 Home dated 8-2-50

In their above order the Government have sanctioned the employment of a Sheristadar Magistrate for Sandur for a period of six months from the date of appointment. The period of sanction accorded for this post expires on the afternoon of 5-9-50.

This officer has been attending to the following items of work, relating to the administration of the merged state of Sandur in addition to the trial of criminal cases.

1. Administration of the Panchayat Board, Sandur.
2. Elections and Census.
3. General supervision of the Special officer's office
and 4. All work connected with the handing over of the properties of the Ruler of Sandur.

All these items of work are of a very important nature and the special officer, Sandur has applied for the continuance of the post till a separate stationary Sub-Magistrate is appointed for Sandur or till 31-3-1951 whichever is earlier.

In this connection I invite attention to Government Memo No.39735-G/50-3 Revenue Department dated 29-6-50, wherein it was ordered that the administration of Sandur Taluk should be carried on with the existing temporary staff, till the orders of Government sanctioning the permanent establishment for the Sandur Taluk are received. The Board has also in its reference F.No.W.4366/49-13 dated 18-7-50 recommended to the Government that till the staff required for the newly formed Sandur Taluk is sanctioned, the Sheristadar Magistrate at Sandur may be continued. In view of this recommendation of the Board and also in view of the voluminous and arduous nature of the work, dealt with by the Sheristadar Magistrate, I am continuing the post of the Sheristadar Magistrate, Sandur beyond 5-9-50 in anticipation of sanction. I request that my action may be ratified and necessary sanction for the continuance of the post till 31-5-51 or till a separate Magistrate is appointed for Sandur, whichever is earlier, may be obtained from the Government

352 Revenue dated 8.2.1950 for the employment of a Sheristadar Magistrate at Sandur will expire on the afternoon of 5.9.1950. As it is not likely that the new Second Class Magistrate proposed for the Sandur taluk will be appointed before 5.9.1950, it seems necessary to accord sanction for the continuance of the post of Sheristadar Magistrate at Sandur beyond 5.9.1950 till the Second Class Magistrate proposed for Sandur is appointed. Sanction may, therefore, be accorded for the continuance of the post of Sheristadar Magistrate at Sandur for a period of one month from 6.9.1950 or till a Separate Second Class Magistrate for the Sandur taluk is appointed, whichever is earlier.
